

ALEXANDRIA GAZETTE.

SATURDAY EVENING FEB. 1, 1902

Monster Eels.

Many of the islands of the western Pacific have in their streams and lakes large numbers of eels of immense size which seldom are used as food by the natives, who seem to have a horror of the snake-like creatures. The eels of Strong's Island, one of the Caroline group, are peculiar in that they place themselves regularly and seek for their place of hibernation the loftiest places which they can find.

These eels sometimes will climb mountains 2,000 feet high and select the summit as the place for their winter's rest. They select or make a depression in the soft, moss covered soil and fit themselves into it snugly, remaining for months at a time absolutely motionless and inert. Sometimes the eels are covered with moss or vegetable debris and at other times they are found exposed to view with their broad, flat heads doubled back upon their bodies. After their season of rest upon the mountain tops the eels wriggle their way down to the valleys and, plunging into the rivers and lakes, begin to feed upon the crawfish, for which crustaceans they have a fondness which is shared by the natives. These eels are excellent eating, but nothing will induce the natives to touch them, alive or dead.

Believed.

It was a long ride through a desolate and dangerous country, and the politician sought to relieve the monotony by philosophic musings on his recent victory and embarrassments that even success brings.

"Hold up your hands!" The stagecoach gave a lurch and stopped. The ray of light that shot into the vehicle turned the spattering rain into myriads of evanescent gems. "What do you want?" asked the politician, with a firmness that showed that he had faced danger before.

"Your money."

"Here it is."

"Your watch and diamond ring."

"They are yours."

"I must say you're good natured anyhow," said one of the highwaymen.

"Not at all. Are you sure that's all you desire?"

"What in thunder do you think we wanted?"

"I was afraid," and the politician's voice trembled a little—"you wanted an officer"—Philadelphia North American.

Insect Pests in Brazil.

I should take a small gang of practical coffee planters from Ceylon with good diggers to be not afraid of chiggers, ticks and ferns flies, to say nothing of the dear little mosquito. The writer had extracted during four years in Brazil no less than 200 chiggers from underneath every toe nail of both feet.

Of all the vile insects on earth the Berne fly is the worst. She lays her eggs inside your flesh and hatches three very ugly insects an inch long with three rings of bristles round the body and with sharp nippers. They take about six weeks to develop under your skin, then commence to turn somersaults just when you want to go to sleep after a hard day's work in the sun.

The natives of Brazil adopt a novel way of extracting the brute when full grown. They tie on a piece of raw pork and the Berne comes out of your skin and takes a header into the piece of pigskin—Ceylon Observer.

Li Hung Chang's "Souvenir."

When Li Hung Chang was in Paris, he went to visit the Credit Lyonnais and showed lively interest in its halls, its stairs, its safes and the room where the bonds of the last city of Paris loan are kept. He was first shown bonds of 500 francs and 1,000 francs and then 5,000 francs. Taking them in his hands, he scrutinized them, exclaiming frequently, "Joli, joli!" Then he finally thrust them in his pocket, saying, "Souvenir de Paris!" The governor of the Credit Lyonnais went to the minister of foreign affairs with a list of the bonds and asked what he was to do. It was agreed that it would not do to ask Li to give them up, and the foreign office refunded his "souvenir de Paris!"

Firearms in Russia.

As an illustration of how closely everything is watched in Russia, take their system of registering firearms. When a weapon of any kind is purchased a permit must be secured from the local authorities. The name of the man who makes the purchase is recorded. If the purchaser must notify the authorities and cause the transfer to be recorded on the books of the firm which sold it.

He Had the Requirements.

Wife—What are some of the requirements necessary to make a successful poker player, my dear?

Husband (thoughtfully)—Well, a man must be cool, calculating, crafty, deceitful, selfish, shy and have a touch of meanness in his disposition.

Wife (shocked)—I shouldn't think you would care to play with such people.

Husband—Oh, I nearly always win!

Chicago Record-Herald.

Voice Traveling.

Eighteen miles is said to be the longest distance on record at which a man's voice has been heard. This occurred in the Grand canyon of the Colorado, where one man shouting the name Bob at one end his voice was plainly heard at the other end, which is eighteen miles away. Dr. Young records that at Gibraltar the human voice has been heard at a distance of ten miles.

Dr. Bull's Baby Syrup for teething.

Full-size bottle, 10 cents. Cures Wind Colic, Diarrhoea, Loss of Sleep, Griping Pains, Soar Throat, Fever, Cholera Infantum. Dr. Bull's Baby Syrup also promotes the digestion and soothes the baby. Sold by Richard Gibson and all druggists.

Favorite Nourish Everywhere.

Constipation means disease, depression, headache, generally disordered health. Dr. Williams' Little Early Risers stimulate the liver, open the bowels and relieve this condition. Safe, speedy and thorough. They never gripe. Favorite pills. For sale by E. S. Leadbeater & Son.

MEDICINAL.

One Person Tells Another

ABOUT KODOL DYSPEPSIA CURE.

That's Why Its Sale is Increasing so Rapidly—So There must be Something in Merit After All.

Fair minded people always admit it when they find an article of merit. If it has done them good they want it to help others, too. Thousands bear witness to the wonderful curative qualities of Kodol Dyspepsia Cure. It is the only preparation which positively and completely digests any good food you may eat. No one disputes the fact that some other digests partially accomplish this result. Pepsin, for instance, is found in the healthy stomach. When it is lacking, the patient takes pepsin and it helps him. But pepsin digests only albuminous foods, like meat and eggs. May be there's plenty of pepsin and a lack of the other digestants. Then it does no good. That's the trouble with the other preparations. They don't contain all the digestants. Kodol Dyspepsia Cure contains them all. It digests any good food you want. You don't have to diet. The feeling of fullness after eating is immediately relieved by Kodol Dyspepsia Cure.

"I used Kodol Dyspepsia Cure for dyspepsia and it gave me relief at once. I can highly recommend it." E. D. Williamson, Corcorado, N. C.

"I had dyspepsia in its worst form and felt miserable most of the time until I used Kodol Dyspepsia Cure, which has completely cured me." J. S. Saylor, Hilliard, Pa.

Kodol Dyspepsia Cure
Cures All Stomach Troubles.

Prepared only by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 3 1/2 times the 50c size.

DEWITT'S KIDNEY PILLS
A certain cure for piles and skin diseases.

Sold by E. S. Leadbeater & Sons.
